## OBJECTIVE

To work in an organization that provides me a challenging and awarding position where I can enhance my professional skills and knowledge to prove my abilities of being diligent, loyal, hard worker and responsible.

## EDUCATION

**2018-2022**

**BE/B.TECH,** CHANDIGARH UNIVERSITY

Completed my bachelor's degree in **Computer Science Engineering** from Chandigarh university, Punjab.

**2017-2018**

**INTERMEDIATE,** DR. VIRENDRA SWARUP PUBLIC SCHOOL

My senior secondary schooling with **ICSE board** is completed in the year 2018 with science as the stream of study.

## PROJECTS

### DROWSINESS DETECTION SYSTEM

- Implemented this project based on Artificial Intelligence (ML & DL).
- It detects the face of the user from the camera and feed it to the classifier and if user found to be sleepy it rings an alarm to alert the user.
- The language used for building this is python.

### ONLINE QUIZZING WEBSITE

- Led the team of skillful individuals towards the development of this quizzing website.
- It provides users with practice questions and study material.
- This is based on the concepts of web development (HTML, CSS, JavaScript, etc.).

### ONLINE SHOPPING PORTAL

- Designed this project in the first academic year of my bachelor's degree.
- It was a prototype model of a shopping portal highlighting the concepts of web development.

## SKILLS

- Web Development (HTML5, CSS, JavaScript)
- Languages (C, C++, Java, Python)
- Concepts of OOPS
- Artificial Intelligence (ML & DL)
- Databases (SQL, Oracle)
- Research and Planning

## INTRESTS

- Chess
- Writing

## CERTIFICATIONS

- **HTML5** from University of Michigan (Coursera)
- **CSS3** from University of Michigan (Coursera)
- **JavaScript** from University of Michigan (Coursera)
- **Algorithmic toolbox** University of California (Coursera)
- **Algorithms on graphs** University of California (Coursera)
- **Joy of computing using python** (NPTEL)
- **Machine Learning** from Stanford University (Coursera)

## CURRICULAR ACHIVEMENTS

- Actively participated in Football Sports Tournament in 2018.
- Facilitated the Team Skit Committee for a skit competition in 2016.
